Earn While You Learn

SABA UK UNSIGNED Performance & Education will be rolling out their Earn While You Learn concept. This is where you can do a course within the Creative Industry and at the same time, generate income as we assist you in setting up Community Social Enterprise.

There are a few limited spaces for the first of these courses which will start in September and will run for 12 weeks. This will be in Event Management and will lead to a Level 2 qualification, the setting up of your own company and the profit share of a major event in December.

The cost of this course is £99 and there are only a few spaces left. Those interested should call 0208 776 6776 or email info@saba.org.uk
