Di BluE Print  Young fresh and dynamic are just some of the terms that readily come to mind when one thinks about Di Blueprint. They are a new age contemporary reggae band that produces music reminiscent of the richness of the Jamaican culture and limitless creativity. A blueprint is the guide for making a product and Di Blueprint Band is a guide to the creation of an authentic product - solid enjoyable music.

This group of blossoming musicians, at present, study at the Edna Manley College of the Visual and Performing Arts in Jamaica. The aim of its members is to inspire the hearts of all, especially this new generation, both locally and internationally. The band's music does not only comprise of roots reggae but a fusion of other genres such as R'n'B, Soft Rock and "Lovers Rock". Songs and lyrics originally written by Di Blueprint appeal to the great majority, and beckon the listener to yield to their influence, strength and purity, thereby, accomplishing its goals to create positive music.
